E-mail conference and communication

⚠ **Plenty of questions can be discussed in e-mail conference** — unless the question is

too specific, it is better to ask in the e-mail conference than directly contact admins. ⚠
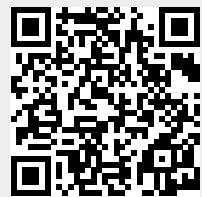

E-mail conference `cluster-ibot (at) metacentrum (dot) cz` (archive) is available, members are all members of the `ibot` group (membership in the conference is automatic, using primary e-mails users are registered in MetaCentrum with; password is same as for MetaCentrum). It serves for announcements of news about the cluster as well as fro discussion among users.

All requests to the cluster admins should be send to e-mail `cluster (at) ibot (dot) cas (dot) cz`.

Events related to the cluster (e.g. shutdowns or seminars) can be seen in public calendar (ICS).
